

IndianaMAC Overview

What is Medicaid Administrative Claiming?

Federal
Reimbursement

for

Administrative
Activities

performed by

School Staff

to

Assist Students with
Unmet Health Care Needs

Assist Students with Unmet Health Care Needs

Medicaid Outreach

Facilitating Medicaid Applications and Enrollment

Health Service Referrals, Care Coordination, Follow Up and Monitoring

Health Care-Related Program Planning, Policy Development and Coordination

Arranging Transportation Services to Medicaid Services

Arranging and Providing Translation (Oral, Sign Language, Braille Transcription) Regarding Medicaid Services, Outreach and Enrollment

What's the difference?

Medicaid Claiming
for IEP Services
(Fee-for-Service)

VS.

Medicaid
Administrative
Claiming (MAC)

Clinicians providing direct IEP services to students.

Example: a Speech Therapist conducting a Speech Therapy session.

Staff members engaging in *administrative* activities related to Medicaid.

Example: a Speech Therapist discusses a student's Speech progress during a Case Conference and writes new Speech Therapy goals in the IEP.

You can participate in both!

IndianaMAC

\$9.84

LEAs recover about **\$9.84** annually for every student.¹
